THE SCHOOL

An Overview

Rochester Prep Charter School 3 will open its doors to its first group of kindergarten students in August 2016. Our school is based on some of the most successful charter schools in the country, including the Rochester Prep Jay Street Elementary School and the Rochester Prep Middle School campuses of West and Brooks. These schools have consistently prepared all students to succeed in college, and we expect the same result for this school.

OUR MISSION AND VISION

Rochester Prep Charter School

Our Mission

The mission of Rochester Prep Charter School 3 is to prepare all students to enter and succeed in college through effort, achievement and the content of their character. All RPES3 students will demonstrate excellence in reading, writing, math, science and history while consistently exemplifying the virtues of Caring, Courage, Resilience, Respect, and Responsibility.

Our Vision

In school and upon graduation, RPES3 students will be respectful and responsible, understanding that through their efforts, they will achieve, succeed and give back to their community.

RESPONSIBILITY AND ACCOUNTABILITY

Students, Parents, and Teachers

PHILOSOPHY

The choice to send your child to Rochester Prep Charter School 3 demonstrates your high hopes and expectations of your child, and us. We are committed to making your hopes and expectations a reality as we prepare your child for college. But we cannot do it without you.

Rochester Prep's success depends on the students, families, and teachers all fulfilling their roles.

Students are expected to act respectfully towards all students and staff and to make positive contributions to the school community. They are expected to attend school daily and punctually,

to actively participate in all classes, to complete all homework assignments, to attend tutoring when needed, and to work productively at all times. Finally, students are expected to accept and strive to learn from consequences for their behavior.

Parents and other family members are asked to uphold and support the school's mission, policies, and Code of Conduct. Even if individual decisions can be challenging at times, the Code of Conduct is established for the good of all. We ask that you ensure your child arrives punctually each day, ready to participate and learn. We ask that you oversee your child's completion of all homework assignments nightly, that you communicate consistently with the school. Finally, we ask that you help reward your child for positive behavior and help him or her accept and understand consequences for poor behavior.

Teachers are expected to prepare engaging, demanding lessons in all classes, to assign and evaluate appropriate homework each night, to arrange for tutoring when needed, and to guide students on the path to college. They are also expected to exemplify the school's virtues of caring, courage, respect, responsibility, justice and hard work.

To underscore this commitment we ask that students, parents and teachers sign the following Rochester Prep Contract for Achievement.

Rochester Prep Parent Contract

Therefore, for every infraction, there will be a consequence. This is the basis of our student Code of Conduct. - 11) Short-term suspension (ten days or less) from school
- 12) Long-term suspension (more than ten days) from school
- 13) Expulsion from school

Detention

Teachers, the Principal, other school personnel, and their designee(s) may use after-school as a penalty for violations of the Code of Conduct. Parents will be notified by phone when and if their students are required to serve detention.

Suspension from Transportation

Students who do not conduct themselves properly on a bus may have their riding privileges suspended by the Principal or the Principal's designee(s). In such cases, the student's parent(s)/guardian(s) will become responsible for seeing that his or her child gets to and from school safely.

Short Term In-School Suspension or Short Term Suspension from School (less than ten days)

When the Principal or Principal's designee (referred to as the "suspending authority"), such as a Dean of Students, proposes to impose in-school suspension or suspend a student charged with misconduct for less than ten days, the suspending authority must provide notice and the opportunity for an informal conference. However, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process.

After the conference, the Principal or his/her designee shall advise the parent(s)/guardian(s) in writing of his or her decision. If the parent(s) /guardian(s) are not satisfied with the decision of the Principal or his/her designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the Principal's decision. The appeal to the Board will be handled by the Board's designee, the School's Managing Director from Uncommon Schools, Inc., or his/her designee.

Long Term In-School Suspension or Long Term Suspension from School (ten or more days)

When the Principal determines that a suspension for ten or more days may be warranted, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. The Principal or his/her designee shall give reasonable notice to the student and the student's parent(s)/guardian(s) of their right to a fair hearing.

At the hearing, the student shall have the right to be represented by counsel or advocate (at the student's/parent's expense), the right to question witnesses against him/her, and the right to present witnesses and other evidence on his/her behalf. The Board's designee, the School's

Managing Director from Uncommon Schools, Inc., or his/her designee, shall personally hear and determine the proceeding or may, in his/her discretion, designate a hearing officer to conduct the hearing. The Board's designee or the hearing officer shall be authorized to hear testimony and request documents in conjunction with the proceeding before him/her. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the Board's designee. The report of the hearing officer shall be advisory only, and the Board's designee may accept all or any part thereof.

If the parent(s) /guardian(s) are not satisfied with the decision of the Board's designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the decision of the Board's designee. The Board may adopt in whole or in part the decision of its designee and will make its decision based solely upon the record before it.

The School will provide alternative instruction to students suspended in-school or out-of-school within 24 hours of any suspension in accordance with New York's compulsory education laws.

Expulsion

Expulsion is reserved for extraordinary circumstances, including but not limited to circumstances where a student's conduct posed or continues to pose a danger to the safety and well-being of themselves, other students, school personnel, or any other person lawfully on school property, attending a school function, or on school-provided transportation. The procedure for expulsion shall be the same procedure set forth for long-term suspension.

Discipline of Students with Special Needs

The School recognizes that it may be necessary to suspend, remove, or otherwise discipline students with disabilities to address disruptive or problem behavior. The School also recognizes that students with disabilities enjoy certain procedural protections whenever school authorities intend to impose discipline upon them. The School is committed to ensuring that the procedures followed for suspending, removing or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. In the event that your student with a disability is suspended for more than ten (10) school days, you are entitled to a Manifestation Determination Review at the Committee on Special Education. You may contact the Special Education Coordinator for further details.

Dignity Act

The Dignity Act prohibits discrimination and harassment against any student, by employees or students on school property or at a school sponsored function, that creates a hostile environment by conduct, with or without physical contact and/or by verbal threats, intimidation or abuse of such a severe nature that:

- (1) has or would have the effect of unreasonably or substantially interfering with a student's education performance, opportunities or benefits, or mental, emotional and/or physical well-being;

The school has a Dignity Act Coordinator who can handle questions and concerns that families have about bullying. Please reach out to the Dean of Students with your questions or concerns.

Student Searches

The School authorizes the Principal and the Principal's designee(s) to conduct searches of students and their belongings if the authorized school official has reasonable suspicion to believe that the search will result in evidence that the student violated the law or the School's Code of Conduct or otherwise constituted a threat to the health, safety, welfare, or morals of the School, other students, school personnel, or any other person lawfully on school property or attending a school function. In authorizing searches, the School acknowledges both state and federal constitutional rights which are applicable to personal searches of students and searches of their possessions.

An authorized school official may search a student or the student's belongings based upon information received from a reliable informant. Individuals, other than the School's employees, will be considered reliable informants if they have previously supplied information that was accurate and verified, they make an admission against their own interest, they provide the same information that is received independently from other sources, or they appear to be credible and the information they are communicating relates to an immediate threat to safety. School employees will be considered reliable informants unless they are known to have previously supplied information that they knew was not accurate.

Students may be subject to personal searches and searches of their possessions where reasonable individualized suspicion exists to conduct such search. Reasonable individualized suspicion to conduct a search of a student or a student's possessions and the scope of the particular search shall be based upon, among other things, the student's age, the prevalence and seriousness of the problem to which the search is directed, the urgency necessitating an immediate search, and the probative value and reliability of information used as justification for the search.

Students have no reasonable expectation of privacy rights in school lockers, cubbies, desks, or other school storage places. The School exercises overriding control over such school property, which may be opened and subjected to inspection at any time by school officials.

Internet Content Filtering Policy and Use of Technology

Undesirable Materials: The School will take all possible precautions to restrict access to undesirable materials including, but not limited to, installing content filtering software/hardware solutions on its network or using an Internet provider which uses content filtering software on its equipment to screen all Internet web sites by URL and/or by keyword search. However, students must also accept responsibility for restricting access to these materials. Students who gain access to undesirable Internet materials must report this material to their teacher.

Security: Students must not allow others to use their network accounts (both Internet and School accounts). Network storage areas may be treated like school lockers. Designated school personnel may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on school file servers will always be private.

E-Mail: Student use of personal email is not allowed in school.

Chat and User Groups: Student use of chat and user groups is not allowed without approval from the supervising teacher.

Copyright and Citations: Any copyrighted materials are subject to the Fair Use provision of copyrighted materials as it relates to education. Internet materials used in reports or other documents must be cited. If there is no direct citation, the Uniform Resource Location (URL) must be cited. The use of internet sources without proper citation constitutes plagiarism.

Downloading: Downloading from the Internet without approval from the supervising teacher is not allowed.

Private Internet Providers: Students may not use school computers to access private Internet providers.

Telephones: Students are prohibited from using school telephones. In the event of an emergency, students may be allowed to use school telephones, but only at the discretion of school staff members.

Electronic Items: Beepers, cd players, iPods, cell-phones or other electronic items are not permitted in school. These items will be confiscated and returned only to a parent or guardian. Parents who wish for their children to carry cell-phones for safety reasons should contact the Principal to make arrangements.

Additional Student Behavioral Guidelines

Respecting the Community

The school is extremely fortunate to occupy space at 85 St. Jacob Street in Rochester. As members of this community, dependent upon its good will to succeed, all students are expected to be thoughtful and respectful toward neighbors, visitors and other members of the community at all times.

- Students will exhibit courteous behavior whenever traveling to or walking in other parts of the school building.
- If a RPES3 student has a negative interaction with any member of the community, that student should inform a RPES3 staff member and allow the Principal or his/her designee to resolve the situation.
- Students traveling to and from school on foot or via bus should conduct themselves as if they were in the school hallways: travel on the sidewalk in a safe and orderly fashion; dispose of waste appropriately; do not loiter outside or near the school building; and remember that

they are representatives of RPES3 and treat all neighborhood community members with respect.

Bus Behavior

- Students who take the school bus are expected to act responsibly and respectfully at all times.

If the Principal determines that the student has behaved inappropriately on the bus, the Principal may impose any of the following consequences: detention, suspension, and loss of bus privileges for up to the remainder of the school year.

Parent & Guest Code of Conduct at School Sponsored Events

Parent and family involvement is key to the success of the Rochester Prep program. During school events, Rochester Prep parents and guests act as role models for Rochester Prep scholars by reflecting and reinforcing the core virtues instilled by the school. To underscore this commitment we ask Rochester Prep parents and guests to agree to the following Rochester Prep Code of Conduct for School-Sponsored Events.

While attending a school-sponsored event, either on- or off-campus, parents, guardians, and other guests will refrain from the following **prohibited behaviors**:

- Engaging in Conduct that Endangers the Safety, Morals, Health, or Welfare of Students, Self, or Others at the event. Examples of such conduct include, but are not limited to:
 - Physical or verbal violence against self or others
 - Threat of violence against self or others
 - Use of profane language or gestures
 - Theft, destruction, or loss of school property, the property of the facility where the event is held, and/or the property of others
 - Use or possession of drugs and/or alcohol
 - Public intoxication
 - Use or display of a firearm, a mock firearm, and/or a dangerous object
- Engaging in Conduct that is disruptive to the event or to the school. Examples of such conduct include, but are not limited to:
 - Publicly questioning or challenging an action of a school staff member
 - Acting in an unruly or disruptive manner
 - Encouraging one or more students to act in a manner inconsistent with the student Code of Conduct

Any parent, guardian, or guest who engages in one or more prohibited behavior may be asked to leave the school or the off-campus site where the school event is held. Any parent or guardian may be asked to leave if his or her guest has engaged in the prohibited behavior. At the discretion of school leadership, parents, guardians, and guests who violate the Code of Conduct may be excluded from one or more future events. Rochester Prep reserves the right to notify the police of any potential violation of the law or threat to the safety of students, families, staff, or guests.

IN THE CLASSROOM

Rochester Prep Charter School 3

Attendance - General

Students can only be successful if they are present at and prepared for school every day. At Rochester Prep, excessive absences will not be tolerated. If a student is absent with or without excuse for more than 10 days of the school year, that student may be required to repeat his or her current grade.

Parents and guardians are expected to call the school as early as possible but no later than 7:30 AM if their child will be absent. Calls should be made as far in advance as possible and may be left on the school's main voice mail if necessary. If a student is not in homeroom and the school has not been notified that he or she will be absent, his or her parent or guardian will be called at home and/or work. In phone calls, voice mails, and notes, please leave or list your child's name, your relationship to the child, and the reason for and date(s) of the child's absence.

Questions regarding student attendance and attendance records should be directed to the school's Office Manager, Ms. Ewing.

A student is considered absent with excuse when the student's family has contacted the school regarding an illness, emergency, or religious observance. All other absences will be considered unexcused, including but not limited to, family vacation, participation at sports tournaments, attendance at entertainment events, or when the family has not contacted the school with a satisfactory reason.

If prior notification has not already been provided, the student is required to bring a signed note from his or her parent or guardian explaining the reason for the absence upon his or her return. A note from a doctor may be required in lieu of the parent note, especially in the case of an extended absence.

If a student is absent for the first five days of school, or at least five consecutive days during the school year, and there has been no successful contact between the family and the school to explain his or her absences, the school may take action to un-enroll the student.

Students who are absent from school cannot attend or participate in school sporting events, dances, or any other school-sponsored activities occurring on the day of the absence, unless the school has given advance permission.

Attendance – Consequences for Absences

Included in our attendance policy are consequences for absences, both positive and negative. They are outlined below:

No Absences in a Quarter: The child and family are congratulated and recognized for exceptional attendance and commitment to their education.

Three Absences in a Quarter: If a student is absent three times in a Quarter, it is considered a serious issue. **At this point, the parent/guardian will be called to the school to meet with an Dean of Students.**

Six Absences in a Year: If a student is absent six times in a year, it is considered a serious issue. **At this point, the parent/guardian will be called to the school to meet with an Dean of Students .** At the meeting, the problem will be discussed and an attendance plan will be developed.

Ten Absences in a Year: If a student is absent ten times in a year, the student is considered truant. **At this point, the student is at risk of not being promoted to the next grade. The parent/guardian will be called to the school to meet with the Principal.** Rochester Prep reserves the right to retain any student who misses more than ten days of school. In addition, a report may be filed with Child Protective Services.

Twenty Absences in a Year: If a student is absent twenty times in a year, the student will be considered a habitual truant. At this point, the school administration may file a written complaint with a relevant court or child services agency alleging the belief that the acts or omissions of the child are such that his/her family has service needs.

Getting to school on time is a key to your child's success – at school and in life. At Rochester Prep, the learning begins from the moment students walk in the door. For instance, students read and complete challenging critical thinking problems during breakfast. Students who are late miss essential reading instruction, disrupt the learning of other children, and risk falling behind on our ambitious curriculum.

Definition of Tardiness

Our doors open at 7:00AM each morning. Students must arrive between 7:00AM and 7:30AM. Students arriving after 7:30AM are considered tardy. In cases when a school bus arrives late, those students riding the bus are not considered tardy.

Students late to school should go directly to the Main Office.

Consequences for Tardiness

The following is an outline of consequences for tardiness:

No Tardies in a Quarter – The child and family are congratulated and recognized for being “on time” and for their true commitment to education.

Three Tardies in a Quarter – If a student is late three times in a Quarter, it is considered a serious issue. **At this point, the parent/guardian will be called by an adviser.** The problem will be discussed and an “On Time” plan will be developed.

Seven Tardies in a Year – If a student is late seven times in a year, it is considered a serious issue. **At this point, the parent/guardian will be called to the school to meet with an adviser.** The problem will be discussed and an “On Time” plan will be developed.

Every three tardies will count as one absence. This may impact the promotion of the student based on the consequences for absences listed on page 19.

Students with excessive tardies may also be considered habitual truants. In such cases, the school administration may file a written complaint with a relevant court or child services agency alleging the belief that the acts or omissions of the child are such that his/her family has service needs.

Life's Work (Homework)

Life's work is an essential part of the Rochester Prep Elementary educational program: it is designed to reinforce skills taught in the classroom, to help students develop a deeper understanding of concepts, and to promote good study habits. **Life's work will be assigned EVERY night at Rochester Prep Elementary.** This means that families must help students with their life's work in ways that include reading instructions out loud to younger students, creating routines at home for students to follow each day, and providing a quiet, organized place to work. Family assistance is expected, however the scholar themselves must complete the life's work in order to benefit from the additional practice. Please do not do your child's life's work for him or her.

Life's work **includes 20 minutes of required reading every night (including weekends and holidays), for which a parent/guardian signature is required on the homework log. Life's work must be completed in full and in accordance with Rochester Prep Elementary high standards for hard work, professional presentation, and integrity.**

All students are provided with Life's work Folders that include a nightly log. Life's work Folders are designed to teach students essential organizational skills. **The logs must be filled out properly with a parent/guardian signature, and all assigned homework must be completed and in the folder.** There are high standards for life's work. All life's work must be neat, clean, and thorough. Life's work folders are turned in to teachers each morning as soon as students arrive at school. **If the life's work is late, missing, incomplete, or of poor quality, or if the log is not completed properly, then the student may face in-school consequences.** Moreover, since bringing all necessary books and supplies is part of life's work, students may also face consequences if they do not bring all necessary books and supplies. Families will receive a phone call if their child has missed several assignments and missed life's work and reading assignments will be reflected on the report card. We expect and need family support to make sure all the life's work gets done according to TOP QUALITY standards.

School Schedule

Rochester Prep Elementary operates from 7:30AM until 4:00PM, Monday through Thursday. School is dismissed at 12:30PM on Fridays so that teachers have time to meet, plan, and receive professional development training. This weekly staff development time is incredibly important and helps us to improve our skills as teachers and the school program as a whole. Students are required to arrive at school on time (by 7:30AM at the latest) and to remain in school until dismissal at 4:00PM (12:30PM on Fridays). It is very important that you send the strong message to your child that school is extremely important. The school attendance habits that are instilled in our students at an early age can lead to a lifetime of educational and professional success.

Discipline

Our approach to discipline is rooted in the belief that the learning environment is sacred. At Rochester Prep Elementary, we will do whatever it takes to make sure that every child is safe (physically, emotionally, mentally, and intellectually) and to make sure that every child has the chance to learn without needless disruptions. We have very high expectations for student behavior, and we "sweat the small stuff" to create and preserve a focused learning environment.

Our teachers will use a large array of strategies to promote positive behavior and to correct problem behaviors. Our faculty uses positive reinforcement whenever possible, doing their best to “catch students doing the RIGHT thing.” We recognize and celebrate student success at every opportunity.

We also use consequences and problem-solving approaches to help students fix behavior problems. Students may lose privileges (social time, trips, etc.) when they violate the rules.

School Uniforms

Clothing worn by students at Rochester Prep Charter School 3 should emphasize the fact that the school is both a community and a place of work. Students should dress in a way that expresses their membership in the community and that suits the standards of a workplace. Their attire should be neat and clean and should conform to the Rochester Prep Elementary uniform at all times.

Rochester Prep Charter School’s uniform for elementary school students consist of:

- An official Rochester Prep polo shirt. Shirts must remain tucked in at all times. Undershirts (short sleeved) must be solid white or black.
- The official Rochester Prep Charter School sweater is optional. Students will not be allowed to wear other sweaters or jackets indoors.
- Plain khaki pants, skirt, skort, or official “Rochester Prep” jumper are required. In the case of skirts, the hem must reach within one inch of the knee, and skirts and jumpers must be worn with tights or bike shorts. Cargo pants, pants with large pockets, and joggers are not acceptable.
- Khaki shorts are acceptable during hot weather, but must reach within one inch of the knee.
- Shoes in solid black, brown, navy. Students may wear loafers or lace-up style shoes, but they must not be open-toed, nor may lace-up shoes be worn unlaced. Sneakers must be solid black, without any logo or embellishment. Students may not wear boots in the classrooms. During winter students will change out of their boots at their cubbies.
- Socks must be navy blue, black or white. Girls may wear tights, knee-high socks or ankle socks. They also must be either navy blue, black or white. Patterned tights are not permitted.
- A belt in solid black. Belts with studs or designs are not permitted.

The student uniform at Rochester Prep Charter School 3 specifically forbids the wearing of:

- Any clothing with legible writing or images (other than the RPES3 logo). This refers even to clothing worn under another shirt.
- Jeans. This includes khaki-colored jeans.
- Carpenter-style pants/shorts, cargo pants/shorts or pants/shorts with large pockets on the sides.
- Hats, caps, bandanas, hoods or night wraps. (Students may wear headbands for the purpose of holding back hair, but they may not cover the majority of the head).
- Jackets or overcoats, except while outdoors (Rochester Prep approved sweaters are allowed).
- Any clothing tied around the waist or neck.
- Any clothing which is inappropriate for the workplace (i.e. miniskirts, excessively baggy pants, elaborate jewelry (including earrings), etc.). Students may wear a single chain necklace, but it must be tucked under their uniform shirt.

Students may not be admitted to class until his/her attire meets the requirements listed above. The Principal should be consulted if there are any questions about whether a particular item of clothing meets the requirements of the above policy. Further, the Principal, the Dean of Students, and the faculty reserve the right to restrict individual items of clothing as necessary, given notification of a parent or guardian, if such clothing interferes with normal school activities.

Family Involvement Policy

Rochester Prep Elementary requires parents/guardians/families to be partners in the education of their children. The important task of educating a child calls for the school, the student, and the family to all work together to ensure success. We encourage families to participate actively in their children's education. We strive to cultivate positive and productive relationships with all of our families.

Family Involvement Opportunities

Rochester Prep family-school relationships are maintained through:

- Conferences with students, families, and teachers (including three report card nights per year and one back to school orientation per year)
- Community-wide events, celebrations, performances, and family field trips
- Regular phone calls from teachers to each family
- Life's work, Reading, and Behavior Logs
- Volunteer opportunities are available at various points during the year

Rochester Prep families are asked to:

- Reinforce Rochester Prep 's academic and behavioral standards at home
- Establish a daily routine for students that sets them up for success
- Ensure that students are well-rested and receive 8 – 10 hours of sleep nightly
- Provide a quiet space for students to study
- Provide positive reinforcement of student progress and success
- Discuss academics and student work among family members
- Help students with homework and independent reading
- Ensure that students neatly complete all of their homework and reading every night
- Send their scholar to school in the Rochester Prep uniform
- Attend all required parent meetings such as Report Card Nights
- Maintain constant respectful communication with teachers and administrators

In order to be effective partners, we must communicate. There are several ways that we can and will communicate with you throughout the year:

Report Card Conferences: At the end of the first, second, and third quarters , parents/guardians will be required to come to the school for Report Card conferences with their children's teachers.

Parents/guardians must come to school to pick up their children's report cards and meet with their children's teachers regarding their child's progress.

Behavior Logs: Everyday your child will bring home a behavior log in their homework folder that informs you of any misbehaviors they may have displayed or stellar accomplishments from that day. You must sign it and return it to school the next day in their homework folders.

Phone Calls: Throughout the year, you will receive phone calls or notes from teachers or school administrators. If the message requires a response, please contact the school either by phone or in writing within 24 hours.

Meetings: If the school requests a meeting with you and your child, we need to discuss something important with you.

Visits – To arrange a visit to the school, please see the section on *School Visitor Policy*.

Parent/Family Concerns: If you have a concern about a school policy, academic grade, discipline decision, or anything else, we ask that you contact the school. We welcome the conversation. We understand that, as parents/guardians/families, you have very strong feelings about issues concerning your children. We promise to treat you and your concern with respect, and expect respect in turn. If a parent/guardian/family member is disrespectful to Rochester Prep teachers or administrators, we will cut short the conversation and wait to continue it at another time.

We need your support. As you know, Rochester Prep is a very demanding school with high expectations for academics and behavior. All of us – parents/guardians/families, teachers and administrators – are working hard to help your child climb the mountain to college. We are all part of your child’s team: if you and your child work with us, we can all succeed.

Cell Phones: Students are not allowed to use cell phones in school or on school field trips. If a cell phone is used during school, rings during school, or is seen by a staff member, it will be confiscated from the student. A student found in violation of this policy is subject to the consequences outlined in section 1.24 of the school’s Code of Conduct.

Messages/Phone Use/Voicemail: Students and teachers may not receive incoming phone calls or messages during the school day unless it is an emergency that requires immediate attention. Such calls should be very rare. Students are allowed to use the telephone only in the case of emergencies or unexpected events.

If you need to get a message to your child’s teacher, please call the main office number and leave a message on his or her voicemail. **Our teachers check their messages once a day after school. They will return your call within 24 hours.**

Promotion to the Next Grade

Rochester Prep Elementary has tough standards for promotion. It is not automatically assumed that students will pass from one grade to the next: the student must earn promotion by demonstrating mastery of the essential knowledge and skills. Students may not be promoted if they are performing significantly below grade-level standards. Promotion decisions will be based on a student’s grades, standardized test scores, attendance, homework completion record, and other measures. We will look thoughtfully at student test scores, examples of student work, teacher observations, and other measures to make these decisions.

Lastly, a student may be retained if he or she misses **more than 10 days** in a school year, has significant behavior problems that result in a lot of missed instruction time, or if the student has persistent trouble completing homework assignments.

Students who have IEPs will be promoted to the next grade based on successful completion of the goals of the IEP. However, students with IEPs who have significant attendance or behavioral problems unrelated to their IEPs may be retained for these reasons.

School Calendar & Closings

More Days of Instruction

In order to fulfill our mission of preparing students for college, Rochester Prep Elementary offers a school year of 185 days.

Progress Reports, Report Cards, and Family-Teacher Conferences

Teachers and staff use regular progress reports and trimester report cards to communicate students' academic and behavioral performance. Progress reports are sent home with students to be signed by their parents and brought back to school the next school day. Report cards are distributed at Family-Teacher Conferences, which families must attend in order to receive their students' report cards. If a family cannot attend Family-Teacher Conferences, they must schedule another time with the school to meet with teachers and pick up their student's report card. If a student or family owes any school materials or funds at the end of the school year, the final report card may be withheld until those materials are returned or paid for, and all accounts are clear.

Snow Closings

In the event of poor weather conditions such as heavy snow, please listen to your local television or radio stations for relevant information regarding school cancellation. Except on days when RPES3 is in session and City schools are not, Rochester Prep Elementary follows the exact same cancellation policies as Rochester City Schools. If Rochester City Schools are closed or delayed, so is Rochester Prep.

Early Dismissal Policy

Should an early dismissal be required, a parent or guardian should contact the school in advance. In order to minimize disruptions to class, we ask that notification regarding early dismissals be made as far in advance as possible, but no later than 7:30 AM of the day of the early dismissal. We also ask that doctor and dentist appointments are limited to non-school hours whenever possible to avoid students missing class time (after 12:30pm on Fridays)

Students will not be dismissed unless a parent, guardian or designated emergency contact has come to the Main Office. If we do not have a signed form designating an individual as an emergency contact and/or if we are not able to corroborate the identity of a contact with proper ID, we will be unable to release your child. For your child's safety, we will not be able to comply with phone calls or notes requesting that children be released to adults who are not official guardians.

Students who repeatedly miss the same classes as a result of early dismissals may be required to make up missed class time. In addition, early dismissals are counted as tardies and 3 tardies will be counted as one full-day absence.

School Bus Transportation

Busing to and from Rochester Prep is provided by the local school district in which the student lives. Please contact the Office Manager for information about transportation from other school districts. The District may provide busing for students who meet certain requirements. However, the right to free transportation is dependent on the student's good behavior while waiting for and riding on the school bus.

Poor Bus Behavior – Bus drivers must focus on the road to make sure all students arrive to school and home safely. On the bus, students must remain in their seats, talk quietly, and follow all directions given by the bus driver. Students who behave poorly on the bus compromise the safety of themselves and others. **Poor bus behavior may result in suspension or termination of transportation services. If your child is suspended from the bus, it will be your responsibility to arrange for alternative transportation.**

Arrange Transportation Before Your Child Leaves Home – Students will not be allowed to call home to check and see if they are being picked up. If you need to pick up your child (and your child usually rides the bus) or otherwise change your child’s transportation for that day, your options are as follows:

- **Send in a Note** – Send a note to school in your child’s Homework Folder explaining the situation and telling who will pick your child up.
- **In an emergency, call the Office Manager before noon** – You may call the Office Manager by 12:00PM Monday-Thursday and 10:30 AM Fridays to change your child’s transportation arrangements for that day. Unfortunately, we will not be able to deliver last minute notes/messages or changes after these times.

School Lunch Program

All students are provided with breakfast, snack, and lunch of free of charge daily. All families will need to complete a form that enables the school to participate in the free or reduced-price meal program. Families may send lunch to school with their scholar provided that it is contained in one bag or lunch box which is labeled with the student’s name. Students will not have access to a refrigerator or microwave. If you are sending lunch to school with your child, we ask that you send in nutritious foods that do not interfere with student learning. **Students are not permitted to bring in foods that are unhealthy or high in sugar including: candy, soda, juices that are not 100% juice, sports drink, energy drink, donuts, cupcakes, chips, candy bars, etc.** Instead, include colorful fruits and vegetables (carrots and celery sticks), whole grains (such as those found in wheat bread or brown rice), lean protein (such as chicken), and 100 percent fruit juices.

Rochester Prep serves milk at breakfast and lunch. It is very important for all children to drink milk to grow healthy teeth and bones. Any parents wishing to substitute milk with a different beverage must provide a note to the school indicating the reason for the milk substitution. Parents must provide the substitute beverage.

Parents are required to notify the school of any food allergies and provide documentation from a doctor for the student’s health file. Parents should also notify the school of any other food restrictions due to religion or custom.

In order to maintain focus in the classroom, families are discouraged from sending snack or breakfast to school. This is permitted only in cases in which the student has a verified medical dietary restriction. The Principal reserves the right to prohibit any student from bringing a snack, breakfast, or lunch item which becomes a distraction to learning.

Assessments

Rochester Prep employs multiple assessments to monitor student progress, inform instruction, and ensure that all students succeed. Staff work to ensure that assessments are not stressful times for students; rather, they are presented as opportunities to show off all that students have learned. Assessments are administered throughout the year, including: the Terra Nova (a nationally normed standardized test), the STEP (assessment of early literacy development), internally developed assessments, and The New York State assessments (beginning in Third Grade). Teachers analyze the results to inform their instruction, identify students in need of extra help, and to assess the overall effectiveness of the school's curriculum. Results are shared with families through the report cards that are distributed three times each year.

Health Services & Medication

The School provides the health services required by law. Students with serious injuries are taken to the hospital for emergency medical care and the parent(s) or guardian(s) are notified immediately.

If a student requires medication of any kind (including Tylenol, aspirin, and asthma inhalers), the student's parent/guardian must submit an Authorization to Dispense Medication form and must give the medication in the original container to the Nurse or Office Manager.

The parent/guardian of any student who is required to carry an asthma inhaler on his/her person must provide an Authorization to Dispense Medication form specifying that the student needs to carry the inhaler with him/her and a second inhaler that is kept in the Nurse's office or with the Office Manager.

The School abides by all New York State immunization requirements. Each new student must have a certificate of immunization at the time of registration or no later than the 14th day of school. Parents/guardians must present documentation that their children have received all required doses of vaccines or are waiting to receive the subsequent doses at the appropriate time intervals. Parents seeking to waive the immunization requirement should submit their request to the school Nurse or Office Manager. The Nurse will review the request and will advise the Principal, who will make the final decision on whether to grant the waiver request.

Social Media Policy

Social Media is a powerful and effective tool for keeping people connected and the School respects the rights of parents to engage in free and open communication of their personal information through the individual use of weblogs, internet diaries, social websites like Facebook, Twitter, Instagram, LinkedIn, YouTube, Vimeo, and other forms of online discourse ("Personal Online Activities"). However, when these Personal Online Activities contain content that could be detrimental to the School, its faculty or its students, they become an appropriate focus of the School's policy.

Parents are personally responsible for the content of their Personal Online Activities, and the following guidelines should be followed:

1. The content of Personal Online Activities may not contain:
 - a. any reference to confidential or privileged information or activities of School students or their families, whether by name or implication;
 - b. any reference to confidential School information;

- c. any reference to School students, faculty, staff, administrators, or trustees whether by name or implication, that would in any manner defame such individual;
 - d. any reference to confidential or privileged information or activities of School faculty, staff, administrators, or trustees; or
 - e. any material that in the sole discretion of the School is considered obscene, defamatory, threatening, harassing, illegal, or abusive to any person or entity associated with the School.
2. When posting classroom photos, please be respectful of the fact that other parents may not want their child's photograph posted to your Social Media site(s). Do not post photos of your child's classmates without their permission.
 3. Remember to THINK before you post anything pertaining to Rochester Prep students:
 - T - Is it true?
 - H - Is it helpful?
 - I - Is it inspiring?
 - N - Is it necessary?
 - K - Is it kind?

School Visitor Policy

The School encourages parent(s)/guardian(s) and other School citizens to visit the School and its classrooms to observe the work of students, teachers and other staff. Schools are a place of work and learning, however, so certain limits must be set for such visits. The Principal is responsible for all persons in the building and on the grounds. For these reasons, the following rules apply to visitors to the School:

- 1) During the first two weeks of school, visitors are not permitted in the school.
- 2) Anyone who is not a regular staff member or student of the school will be considered a "visitor".
- 3) All visitors to the school must sign in and report to the main office.
- 4) Teachers are expected not to take class time to discuss individual matters with visitors.
- 5) Any unauthorized person on school property will be reported to the Principal. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
- 6) All visitors are required to abide by the rules for public conduct on school property contained in this Code of Conduct. By entering school property, visitors accept these rules.

The School is committed to providing an orderly, respectful environment; therefore, it is necessary to regulate public conduct on school property and at school functions.

Student Records

The School recognizes the legal requirement to maintain the confidentiality of student records. Access to student records shall be consistent with federal statutes, including the Family Educational Rights and Privacy Act of 1974 (FERPA) and its implementing regulations.

The School also recognizes its responsibility under the Local Government Records Law to ensure the orderly retention and disposition of the School's student records.

At least once each year, the School shall by means of an individual mailing or by inclusion in one of the School's regular publications, notify all parents and eligible students of their rights under FERPA. The notice will include a statement that the parent or eligible student has a right to:

- 1) Inspect and review the student's education records;
- 2) A specification of the intent of the School to limit the disclosure of personally identifiable information contained in a student's education records except:
 - a. by prior written consent of the student's parent(s) or guardian(s) or the eligible student;
 - b. as directory information; or
 - c. under certain limited circumstances, as permitted by FERPA.
- 3) Request that records be amended to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights;
- 4) File a complaint with the U.S. Department of Education alleging failure of the District to comply with FERPA and its regulations; and
- 5) Obtain copies of this policy and the locations where copies may be obtained.

The policy applicable to the release of student directory information, which includes the student's name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of degrees and awards received, and the most recent educational agency or institution attended by the student, applies equally to military recruiters, the media, colleges and universities, and prospective employers.

The School shall arrange to provide translations of this notice to non-English speaking parents in their native language.

The School does not plan to publish a directory of student information. In the event that the School plans to publish a directory in the future, FERPA permits the disclosure of certain categories of directory information, i.e., name, age, address, etc., without specific permission from the parents having been obtained. However, while permission is not required, the School must give parents/legal guardians the opportunity to object to the publication of some or all of this information.

Other Information and Policies

Student Belongings

Students who disrupt class for any reason are violating school rules. This rule applies to students' personal possessions as well. Items including, but not limited to, game cards (Yugio Cards, Pokemon Cards, etc.), trading cards (baseball cards, football cards, etc.), portable electronic games, toys, make-up (lipstick, lipgloss), portable electronic devices, and cell phones are not allowed in school. Students who violate this rule will have their item(s) confiscated until the item(s) is picked up by a parent/guardian and will be subject to consequences. **Repeated violations of this policy may cause personal property to be confiscated for a period of up to 30 days, irrespective of any costs or fees students and/or their families may incur as a result.**

Note that portable electronic games/devices and cell phones are considered inappropriate property and students found in possession of these devices are subject the consequences outlined in section 1.24 of the school's Code of Conduct.

Lost and Found

The school will keep a small lost and found box near the main office. Parents/guardians/families may come in any day between 7:40AM and 4:00PM to search the Lost and Found. At the end of every trimester, items left in the box may be donated to a local charity.

School Supplies

Rochester Prep will provide all our scholars with the necessary tools for success. Families are asked to provide an appropriate backpack. **Roller bags and messenger bags are not permitted.** All bags must be backpacks that can be worn over both shoulders.

Students do not need to buy binders. The school will provide each student with a binder for core academic classes. Students will also be provided with color-coded folders for homework, as well as a pencil/pen case.

We encourage all students not to bring non-essential items of value to school – monetary or otherwise – since they cannot be securely stored. Students who bring inappropriate items to school, including, but not limited to, toys, hats, CD players, mp3 players, laser pointers, beepers, pagers, hand held video games, and cell phones, will have such items confiscated. A parent or guardian must come to the school to retrieve confiscated items.

BIRTHDAY CELEBRATIONS

Students are permitted to bring store-bought mini cupcakes or small cookies to be shared with classmates if the teacher is notified in advance. You can notify the teacher by writing a note or leaving a message. The treats must already be prepared in individual servings. Treats can be shared during Choice Time at the end of the day; usually at 3:30PM.

Parents must provide plates, napkins, and utensils as necessary – Rochester Prep will not provide these items. Large productions like pizza parties are not permitted for birthdays. Please do NOT bring ice cream, as this is difficult to serve and clean. Helium balloons are not permitted since these often become stuck on the ceiling. Individual goodie bags are permitted as long as every student in the student's class receives one. Parents are not required to send birthday treats to school. The Rochester Prep community will sing "Happy Birthday" regardless of whether families have sent anything to school. Invitations for individual birthday parties are not to be distributed in school unless there is an invitation included for every child in the student's class.

BUILDING SAFETY AND SECURITY

Rochester Prep Charter School 3

There are a number of basic procedures the school has in order to ensure the safety and security of its students and staff. Cooperation on everyone's part will go a long way in guaranteeing that the business of the school – teaching and learning – can take place.

CLOSED CAMPUS

Under no circumstances are students to leave the school building or grounds without permission.

IN CASE OF EMERGENCY

In case of an emergency, parents or guardians should contact the Main Office either by phone or in person. Under no circumstances should parents or guardians contact students in their classrooms, nor attempt to withdraw students from the building without notifying and receiving permission from staff members in the Main Office.

FIRE SAFETY AND EVACUATION PROCEDURES

Please note, some procedures may change once the school year has officially begun. Students will be notified of and trained in any significant changes.

In case of an emergency, students must follow the direction of staff members who will lead students outside the building to the designated locations, where school staff will line up students by class and take attendance.

Throughout the school year, students and staff will participate in lock down and fire drills to ensure that the entire school community is familiar with the appropriate response in the event of an emergency.

Should it be necessary to evacuate our school before, during, or after the school day—and it appears that we will be unable to return to the school for an extended period of time or for the rest of the day—school staff and students will evacuate, according to the school's evacuation plan.. If this site cannot be safely occupied, a notice will be clearly posted advising parents of a secondary location.

More information on emergency procedures is contained in the school's SAVE plan, which will be shared with all parents and available from the Main Office.

TRANSPORTATION AND SAFETY

Arrival and Dismissal

Students should not arrive at school earlier than 7:00AM. At dismissal, students should leave the school building; attend after school tutoring or detention; or participate in an official school event such as an athletic team. Students who are not participating in one of the above activities must wait in the Main Office or in another designated afterschool location, under the supervision of a staff member. Students may not wait outside without staff supervision.

Bus transportation will be provided by the appropriate school district. Buses will pick up and drop off students at the designated location as determined by the Principal. We ask parents who are dropping off and/or picking up students to avoid the designated bus lanes as noted by the street signs.

We ask for families to please cooperate with this policy to guarantee a safe, timely, and orderly environment for all students and families at dismissal.

Pick up

Students being picked up will be dismissed from the Jay St. entrance at 4:00pm. If you have contacted the main office for an early pick up, prior to dismissal, use the Main Office entrance until 3:45pm. (12:15pm on Fridays) To ensure the safest environment for our students there will be no pickups between 3:45 and 4:00pm, M-Th and 12:15-12:30 on Fridays.

If further denied, the person requesting information may further appeal through an Article 78 proceeding. Likewise, if the School does not follow the FOIL appeal procedures, it will constitute a denial of the FOIL appeal for purposes of allowing the requester to bring as Article 78 proceeding.

The school may deny access to requested records if:

The school will publicly post a notice setting forth the name and address of its records access officer, its records appeals officer, and the location where records will be made available.

NCLB, SCHOOL REPORT CARDS, AND HIGHLY QUALIFIED TEACHERS

No Child Left Behind (NCLB) is federal legislation enacted with the goal of all students reaching academic proficiency by 2014 and all students being taught by a Highly Qualified teacher by 2007. As part of that goal, schools are required to issue to parents an annual report card that specifies the school's mission, indicates the demographic breakdown of its student body, presents their performance on standardized exams such as the New York State Assessments, and specifies the percentage of Highly Qualified teachers as defined by NCLB. Parents can request in writing to the Principal the educational credentials and licensure of any of their students' teachers.

Appendix 1

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Appendix 2

Complaint Policy

In accordance with Education Law §2855(4), any individual or group may bring a complaint to the True North Rochester Preparatory Charter School Board of Trustees alleging a violation of Education Law Article 56, the charter, or any other provision of law relating to the management or operation of the school. Nothing in the following suggested procedures precludes a group or individual from bringing a complaint under Education Law §2855(4) directly to the school's Board of Trustees.

An individual who has a complaint about a school practice or policy that does not concern the alleged violation of law or charter (e.g., a concern about an academic grade, the school's uniform policy, the school's cell phone policy, or the bus schedule) should address the complaint in writing to the Principal. The Principal will respond to the complaint in writing or in person within 14 days. If this does not resolve the complaint or if the complaint is about the Principal, the individual or group may file a complaint in writing to the Chairperson of the Board of Trustees, who shall then appoint the School's Managing Director from Uncommon Schools or another designee(s) to review the complaint. The Chairperson's designee will respond to complaints in writing within 30 days.

Should an individual wish to register a complaint with the Board of Trustees at a Board meeting, the complaint must be submitted in writing at least one week prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees. Emergency issues will be dealt with on an as-needed basis, with the Board's designee responding at or prior to its next regular public meeting.

Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. Rochester Prep will encourage all families to resolve all complaints at the school level in cooperation with the Principal. The Board, as necessary, may direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall render a determination in writing if appropriate or required.

If, after presentation of the complaint to the Chairperson of the Board of Trustees, the individual or group determines that the Chairperson or his/her designee has not adequately addressed the complaint, the complainant may present the complaint to the Board of Trustees of the State University of New York, which shall investigate and respond. If, after presentation of the complaint to the Board of Trustees of the State University of New York, the individual or group determines that the school has not adequately addressed the complaint, the complainant may present the case to the Board of Regents, which shall investigate and respond. The Trustees of the State University of New York and the Board of Regents have the power and the duty to take remedial action as appropriate.
