THE SCHOOL

OVERVIEW

Rochester Prep is part of the nationally recognized Uncommon Schools charter school network and operates elementary schools, middle schools, and a high school in Rochester. True North Rochester Preparatory Charter School – West Campus Middle School (“RPWCMS” or “Rochester Prep”) first opened its doors in August 2011. The school serves students in 5th through 8th grade. Upon graduation of RPWCMS, students will attend the True North Rochester Preparatory Charter High School for 9th-12th grade.

OUR MISSION

The mission of RPWCMS is to prepare all students to enter and succeed in college through effort, achievement and the content of their character. All students will demonstrate excellence in reading, writing, math, science and history while consistently exemplifying the virtues of diligence, integrity, compassion, responsibility, respect and perseverance.

OUR VISION

In school and upon graduation, students will be respectful and responsible, understanding that through their efforts, they will achieve, succeed and give back to their community.

SCHOOL SCHEDULE

In order to fulfill our mission of preparing students for college, Rochester Prep offers a school year of 185 days. In general, the school year starts at the end of August and finishes the second to last week of June.

RPWCMS operates from 7:35AM until 4:10PM, Monday through Thursday. School is dismissed at 12:30PM on Fridays so that teachers have time to meet, plan, and receive professional development training. This weekly staff development time is incredibly important and helps us to improve our skills as teachers and the school program as a whole. Students are required to arrive at school on time (by 8:05AM at the latest) and to remain in school until dismissal at 4:10PM (12:30PM on Fridays). Please reinforce the message to your child that school is extremely important. The school attendance habits that are instilled in our students at an early age can lead to a lifetime of educational and professional success.

RESPONSIBILITY AND ACCOUNTABILITY

PHILOSOPHY

The choice to send your child to Rochester Prep demonstrates your high hopes and expectations of your child, and us. We are committed to making your hopes and expectations a reality as we prepare your child for college. But we cannot do it without you. Rochester Prep's success depends on the students, families, and teachers all fulfilling their roles.

Our approach to discipline is rooted in the belief that the learning environment is sacred. At Rochester Prep, we will do whatever it takes to make sure that every child is safe (physically, emotionally, mentally, and intellectually) and to make sure that every child has the chance to learn without needless disruptions. We have very high expectations for student behavior, and we “sweat the small stuff” to create and preserve a focused learning environment.

Our teachers will use a large array of strategies to promote positive behavior and to correct problem behaviors. Our faculty uses positive reinforcement whenever possible, doing their best to “catch students doing the RIGHT thing.” We recognize and celebrate student success at every opportunity.

We also use consequences and problem-solving approaches to help students fix behavior problems. Students may lose privileges (social time, trips, etc.) when they violate the rules.

Students are expected to act respectfully towards all students and staff and to make positive contributions to the school community. They are expected to attend school daily and punctually, to actively participate in all classes, to complete all homework assignments, to attend tutoring when needed, and to work productively at all times. Finally, students are expected to accept and strive to learn from consequences for their behavior.

Parents and other family members are asked to uphold and support the school's mission, policies, and Code of Conduct. Even if individual decisions can be challenging at times, the Code of Conduct is established for the good of all. We ask that you ensure your child arrives punctually each day, ready to participate and learn. We ask that you oversee your child's completion of all homework assignments nightly, that you communicate consistently with the school, and that you support the requirement of Homework Club for students who do not turn in all of their assigned homework on time. Finally, we ask that you help reward your child for positive behavior and help him or her accept and understand consequences for poor behavior.

To underscore this commitment we ask that parents or guardians sign the following Rochester Prep Parent Contract.

- 1) Oral warning
- 2) Written warning

- 8) Suspension from transportation
- 9) Suspension from cafeteria, commons, library, social, athletic, after-school, field trip, extracurricular, or other activities or privileges
- 10) In-school suspension
- 11) Short-term suspension (ten days or less) from school
- 12) Long-term suspension (more than ten days) from school
- 13) Expulsion from school

In determining the appropriate disciplinary action, school personnel authorized to impose disciplinary penalties may consider, among other things, the student's prior disciplinary record.

Detention

Teachers, the Principal, other school personnel, and their designee(s) may use after-school detention as a penalty for violations of the Code of Conduct. Parents will be notified by phone when and if their students are required to serve detention.

Suspension from Transportation

Students who take the school bus are expected to act responsibly and respectfully at all times. On the bus, students must remain in their seats, talk quietly, and follow all directions given by the bus driver. Students who behave poorly on the bus compromise the safety of themselves and others.

If the Principal or the Principal's Designee determines that the student has behaved inappropriately on the bus, the Principal may impose any of the following consequences: detention, suspension, and loss of bus privileges for up to the remainder of the school year.

In cases where bus riding privileges have been suspended, the student's parent(s)/guardian(s) will become responsible for seeing that his or her child gets to and from school safely.

Short Term In-School Suspension or Short Term Suspension from School (less than ten days)

When the Principal or Principal's designee (referred to as the "suspending authority"), such as a Dean of Students, proposes to impose in-school suspension or suspend a student charged with misconduct for less than ten days, the suspending authority must provide notice and the opportunity for an informal conference. However, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process.

After the conference, the Principal or his/her designee shall advise the parent(s)/guardian(s) in writing of his or her decision. If the parent(s) /guardian(s) are not satisfied with the decision of the Principal or his/her designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the Principal's decision. The appeal to the Board will be handled by the Board's designee, the School's Associate Chief Operating Officer from Uncommon Schools, Inc., or his/her designee.

Long Term In-School Suspension or Long Term Suspension from School (ten or more days)

When the Principal determines that a suspension for ten or more days may be warranted, the student may be removed from class and/or school immediately if the student's presence in school poses a continuing danger to persons or property or an ongoing threat of disruption to the academic process. The Principal or his/her designee shall give reasonable notice to the student and the student's parent(s)/guardian(s) of their right to a fair hearing.

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL
Student and Family Handbook 2019-20

At the hearing, the student shall have the right to be represented by counsel or advocate (at the student's/parent's expense), the right to question witnesses against him/her, and the right to present witnesses and other evidence on his/her behalf. The Board's designee, the School's Associate Chief Operating Officer from Uncommon Schools, Inc., or his/her designee, shall personally hear and determine the proceeding or may, in his/her discretion, designate a hearing officer to conduct the hearing. The Board's designee or the hearing officer shall be authorized to hear testimony and request documents in conjunction with the proceeding before him/her. A record of the hearing shall be maintained, but no stenographic transcript shall be required. A tape recording shall be deemed a satisfactory record. The hearing officer shall make findings of fact and recommendations as to the appropriate measure of discipline to the Board's designee. The report of the hearing officer shall be advisory only, and the Board's designee may accept all or any part thereof.

If the parent(s) /guardian(s) are not satisfied with the decision of the Board's designee, they may file a written appeal to the Board of Trustees via the Principal within five business days of the date of the decision of the Board's designee. The Board may adopt in whole or in part the decision of its designee and will make its decision based solely upon the record before it.

The School will provide alternative instruction to students suspended in-school or out-of-school within 24 hours of any suspension in accordance with New York's compulsory education laws.

Expulsion

Expulsion is reserved for extraordinary circumstances, including but not limited to circumstances where a student's conduct posed or continues to pose a danger to the safety and well-being of themselves, other students, school personnel, or any other person lawfully on school property, attending a school function, or on school-provided transportation. The procedure for expulsion shall be the same procedure set forth for long-term suspension.

DISCIPLINE OF STUDENTS WITH SPECIAL NEEDS

The School recognizes that it may be necessary to suspend, remove, or otherwise discipline students with disabilities to address disruptive or problem behavior. The School also recognizes that students with disabilities enjoy certain procedural protections whenever school authorities intend to impose discipline upon them. The School is committed to ensuring that the procedures followed for suspending, removing or otherwise disciplining students with disabilities are consistent with the procedural safeguards required by applicable laws and regulations. In the event that your student with a disability is suspended for more than ten (10) school days, you are entitled to a Manifestation Determination Review at the Committee on Special Education. You may contact the Special Education Coordinator for further details.

DIGNITY ACT

The Dignity Act prohibits discrimination and harassment against any student, by employees or students on school property or at a school sponsored function, that creates a hostile environment by conduct, with or without physical contact and/or by verbal threats, intimidation or abuse of such a severe nature that:

1. has or would have the effect of unreasonably or substantially interfering with a student's education performance, opportunities or benefits, or mental, emotional and/or physical well-being;
2. reasonable causes or would reasonably be expected to cause a student to fear for his or her physical safety.

Such conduct shall include, but is not limited to, threats, intimidation, or abuse based on a person's:

- Actual or perceived Race
- Color
- Weight
- National Origin
- Ethnic Group
- Religion
- Religious Practices
- Disability
- Gender Identity
- Perceived Gender Identity
- Sexual Orientation; or
- Sex

The school has a Dignity Act Coordinator who can handle questions and concerns that families have about bullying. Please reach out to the Social Worker with your questions or concerns.

STUDENT SEARCHES

The School authorizes the Principal and the Principal's designee(s) to conduct searches of students and their belongings if the authorized school official has reasonable suspicion to believe that the search will result in evidence that the student violated the law or the School's Code of Conduct or otherwise constituted a threat to the health, safety, welfare, or morals of the School, other students, school personnel, or any other person lawfully on school property or attending a school function. In authorizing searches, the School acknowledges both state and federal constitutional rights which are applicable to personal searches of students and searches of their possessions.

An authorized school official may search a student or the student's belongings based upon information received from a reliable informant. Individuals, other than the School's employees, will be considered reliable informants if they have previously supplied information that was accurate and verified, they make an admission against their own interest, they provide the same information that is received independently from other sources, or they appear to be credible and the information they are communicating relates to an immediate threat to safety. School employees will be considered reliable informants unless they are known to have previously supplied information that they knew was not accurate.

Students may be subject to personal searches and searches of their possessions where reasonable individualized suspicion exists to conduct such search. Reasonable individualized suspicion to conduct a search of a student or a student's possessions and the scope of the particular search shall be based upon, among other things, the student's age, the prevalence and seriousness of the problem to which the search is directed, the urgency necessitating an immediate search, and the probative value and reliability of information used as justification for the search.

Students have no reasonable expectation of privacy rights in school lockers, cubbies, desks, or other school storage places. The School exercises overriding control over such school property, which may be opened and subjected to inspection at any time by school officials.

INTERNET CONTENT FILTERING POLICY AND USE OF TECHNOLOGY

Undesirable Materials: The School will take all possible precautions to restrict access to undesirable materials including, but not limited to, installing content filtering software/hardware solutions on its network or using an Internet provider which uses content filtering software on its equipment to screen all Internet web sites by URL and/or by keyword search. However, students must also accept responsibility for restricting access to these materials. Students who gain access to undesirable Internet materials must report this material to their teacher.

Security: Students must not allow others to use their network accounts (both Internet and School accounts). Network storage areas may be treated like school lockers. Designated school personnel may review files and communications to maintain system integrity and insure that users are using the system responsibly. Users should not expect that files stored on school file servers will always be private.

E-Mail: Student use of personal email is not allowed in school.

Chat and User Groups: Student use of chat and user groups is not allowed without approval from the supervising teacher.

Copyright and Citations: Any copyrighted materials are subject to the Fair Use provision of copyrighted materials as it relates to education. Internet materials used in reports or other documents must be cited. If there is no direct citation, the Uniform Resource Location (URL) must be cited. The use of internet sources without proper citation constitutes plagiarism.

Downloading: Downloading from the Internet without approval from the supervising teacher is not allowed.

Private Internet Providers: Students may not use school computers to access private Internet providers.

Telephones: Students are prohibited from using school telephones. In the event of an emergency, students may be allowed to use school telephones, but only at the discretion of school staff members.

Electronic Items: Beepers, cd players, iPods, cell-phones or other electronic items are not permitted in school. These items will be confiscated and returned only to a parent or guardian. Parents who wish for their children to carry cell-phones for safety reasons should contact the Principal to make arrangements.

DRESS CODE

Clothing worn by students at RPWCMS should emphasize the fact that the school is both a community and a place of work. Students should dress in a way that expresses their membership in the community and that suits the standards of a workplace. Their attire should be neat and tidy and should conform to the Rochester Prep uniform at all times.

Rochester Prep's uniform for middle school students consists of:

- An official RPWCMS "polo" shirt. Shirts must remain tucked in at all times.
- Undershirts must be solid white, grey, navy blue, black.

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL
Student and Family Handbook 2019-20

- The official Rochester Prep sweater is optional, although students will not be allowed to wear other sweaters or jackets indoors.
- Students will not be allowed to wear long sleeve undershirts.
- Khaki pants, skirts or shorts (cannot be shorter than one inch of knee). Jumpers, jeggings and tight pants are not permitted.
- Dark colored dress shoes in solid brown or black. Students may wear lace-up style shoes, but they must not be open-toed, nor may lace-up shoes be worn unlaced. Students may not wear boots, boat shoes or moccasins. Sneakers are not acceptable except during recess activities.
- A dark colored belt in solid brown or black. Belts with studs or designs are not permitted.

The student uniform at Rochester Prep specifically forbids the wearing of:

- Any clothing with legible writing or images (other than the Rochester Prep logo). This refers even to clothing worn under another shirt.
- Jeans. This includes khaki-colored jeans.
- Leggings
- Sneakers (except for Physical Education or any other time designated by the School)
- Hats, caps, bandanas, hoods or night wraps. (Students may wear headbands for the purpose of holding back hair, but they may not cover the majority of the head).
- Jackets or overcoats (except while outdoors)
- iPods, cell-phones or other electronic items. These items will be confiscated and returned only to a parent or guardian. Parents who wish for their children to carry cell-phones for safety reasons should contact the Principal to make arrangements.
- Any clothing tied around the waist or neck
- Temporary tattoos or pen drawings
- Makeup (except for clear lip gloss)

A student may not be admitted to class if his/her attire does not meet the requirements listed above.

The Principal should be consulted if there are any questions about whether a particular item of clothing meets the requirements of the above policy. Further, the Principal, the Dean of Students, and the faculty reserve the right to restrict individual items of clothing as necessary, given notification of a parent or guardian, if such clothing interferes with normal school activities. Rochester Prep reserves the right to amend the dress code for designated school functions or privileges.

ADDITIONAL STUDENT BEHAVIORAL GUIDELINES

Respecting the Community: The school is extremely fortunate to occupy space at 432 Chili Ave. in Rochester. As members of this community, dependent upon its good will to succeed, all students are expected to be thoughtful and respectful toward neighbors, visitors and other members of the community at all times.

- Students will exhibit courteous behavior whenever traveling to or walking in other parts of the school building.
- If a RPWCMS student has a negative interaction with any member of the community, that student should inform a RPWCMS staff member and allow the Principal or his/her designee to resolve the situation.
- Students traveling to and from school on foot or via bus should conduct themselves as if they were in the school hallways: travel on the sidewalk in a safe and orderly fashion; dispose of waste appropriately; do not loiter outside or near the school building; and remember that they are representatives of RPWCMS and treat all neighborhood community members with respect.

BREAKFAST AND MORNING MEETING

The Rochester Prep school day begins at 7:35 AM with morning work and breakfast served to all students in AM homeroom. Students then transition to their designated first period class on most days. Occasionally, breakfast will be followed by Community Meeting, a community building activity that reinforces students' academic achievement and character development.

ATTENDANCE POLICY

Students can only be successful if they are present at and prepared for school every day. At Rochester Prep, excessive absences will not be tolerated. If a student is absent with or without excuse for more than 10 days of the school year, that student may be required to repeat his or her current grade.

Parents and guardians are expected to call the school as early as possible but no later than 7:30 AM if their child will be absent. Calls should be made as far in advance as possible and may be left on the school's main voice mail if necessary. If a student is not in homeroom and the school has not been notified that he or she will be absent, his or her parent or guardian will be called at home and/or work. In phone calls, voice mails, and notes, please leave or list your child's name, your relationship to the child, and the reason for and date(s) of the child's absence.

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL
Student and Family Handbook 2019-20

Questions regarding student attendance and attendance records should be directed to the school's Office Manager.

A student is considered absent with excuse when the student's family has contacted the school regarding an illness, emergency, or religious observance. All other absences will be considered unexcused, including but not limited to, family vacation, participation at sports tournaments, attendance at entertainment events, or when the family has not contacted the school with a satisfactory reason.

If prior notification has not already been provided, the student is required to bring a signed note from his or her parent or guardian explaining the reason for the absence upon his or her return. A note from a doctor may be required in lieu of the parent note, especially in the case of an extended absence.

If a student is absent for the first five days of school, or at least five consecutive days during the school year, and there has been no successful contact between the family and the school to explain his or her absences, the school may take action to un-enroll the student.

Students who are absent from school cannot attend or participate in school sporting events, dances, or any other school-sponsored activities occurring on the day of the absence, unless the school has given advance permission.

Please note that students earn ten scholar dollars per day of school they attend. If a student is absent, they are unable to earn those dollars, regardless of the reason for the absence. This will show on their weekly paycheck as an absence deduction.

LATENESS

Students are late to school if they arrive after 8:05 AM. Student arriving after 8:05 AM must go to the Main Office to sign in.

Breakfast is not offered after 8:05 AM.

For every three tardies, a student will earn an absence. Excessive tardiness is unacceptable, as it has a negative impact on student achievement.

EARLY DISMISSAL POLICY

Should an early dismissal be required, a parent or guardian should contact the school in advance. In order to minimize disruptions to class, we ask that notification regarding early dismissals be made as far in advance as possible, but no later than 7:45 AM of the day of the early dismissal. We also ask that doctor and dentist appointments be limited to non-school hours whenever possible to avoid students missing class time.

Students will not be dismissed unless a parent, guardian or designated emergency contact has come to the Main Office. If we do not have a signed form designating an individual as an emergency contact and/or if we are not able to corroborate the identity of a contact with proper ID, we will be unable to release your child. For your child's safety, we will not be able to comply with phone calls or notes requesting that children be released to adults who are not official guardians.

Students who repeatedly miss the same classes as a result of early dismissals may be required to make up missed class time and may earn full-day absences as a result.

HOMEWORK CLUB

Each student is expected to complete all of his or her assigned homework on time every day.

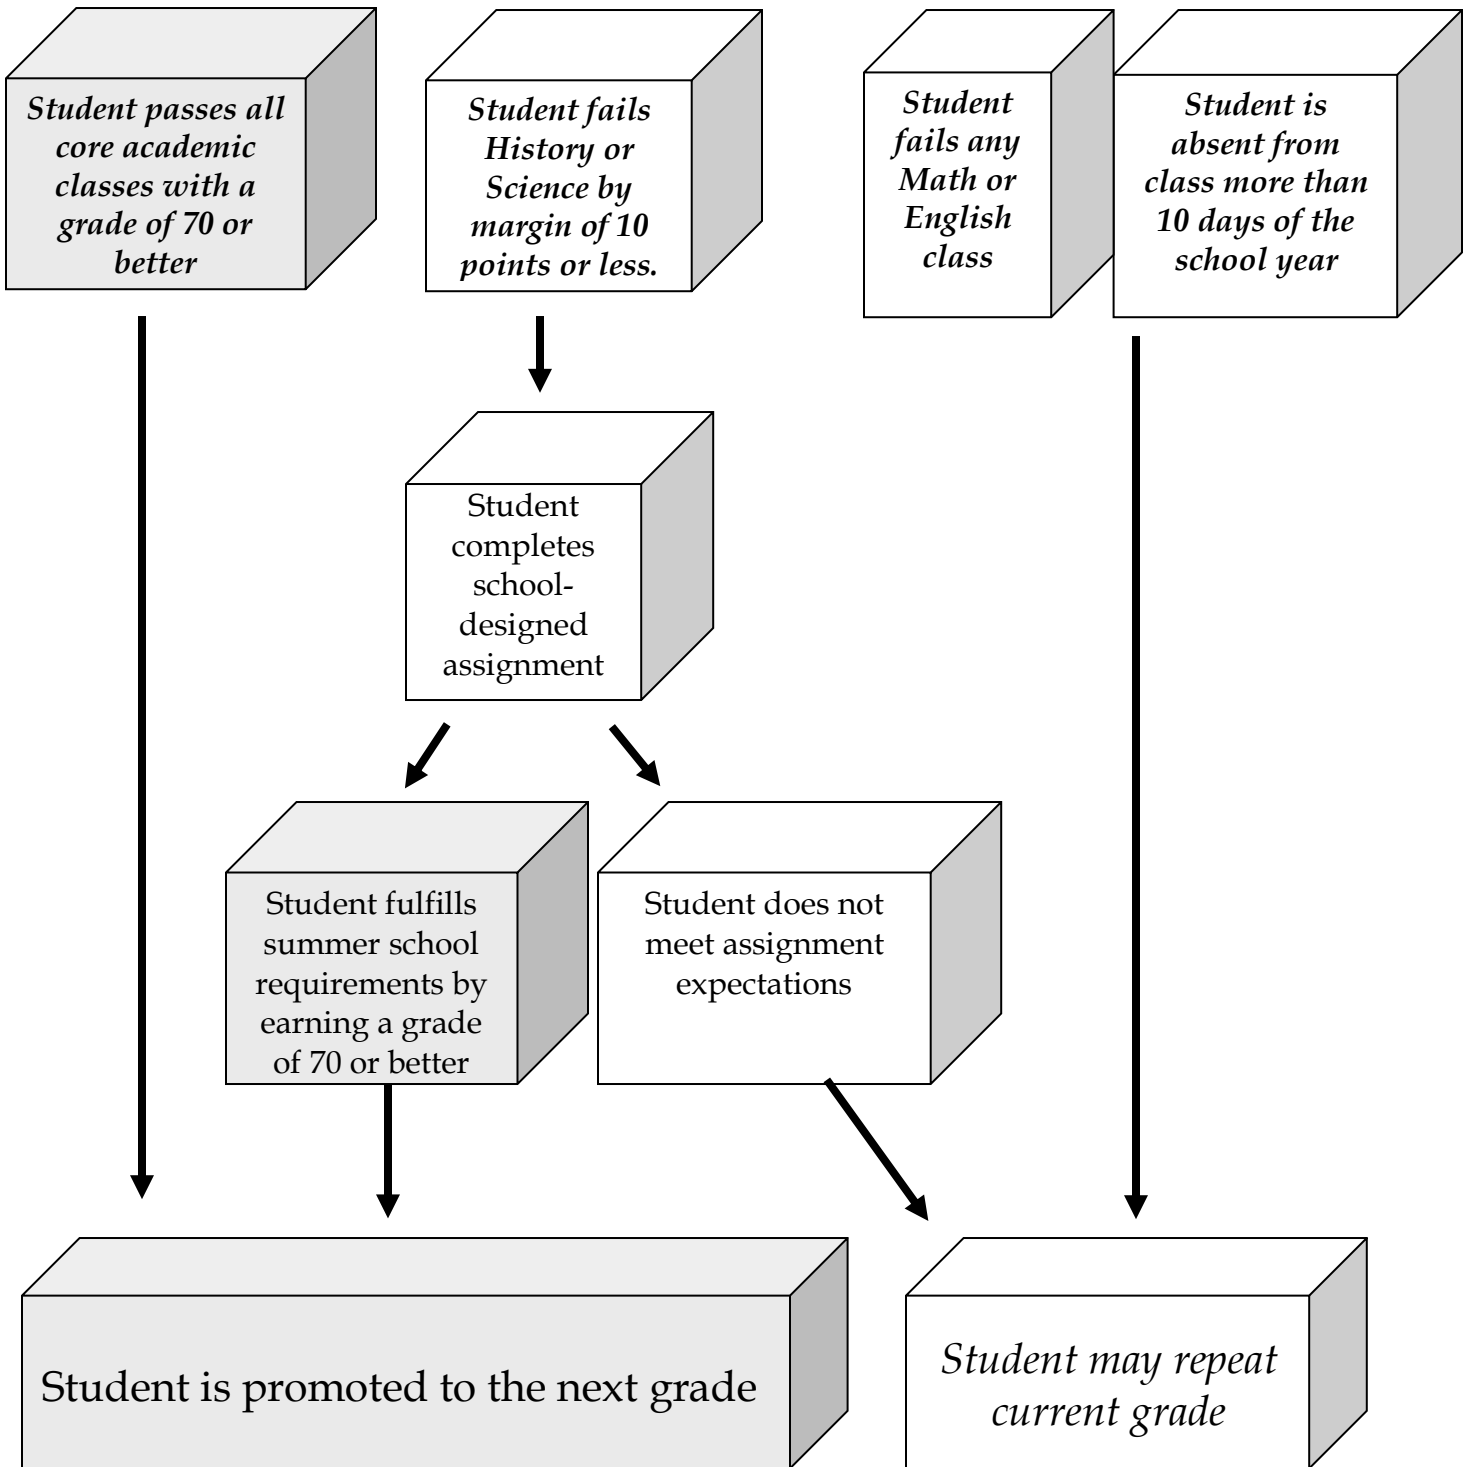

Homework is collected as school begins between 7:35 and 8:05 AM each day in AM homeroom. If a student does not satisfactorily complete his or her assigned homework, he or she is required to attend Homework Club *that day* making up the missed work, beginning the next night's work, or completing any other work assigned by the Homework Club supervisor. Homework Club takes place during the school day. Please note that students stay for Homework Club either because the assignment was not completed or because the homework did not meet school standards. (Teachers will review homework standards with all students at the start of the year.)

EXAMS AND QUIZZES

If a student is absent with excuse for a test, he or she should be prepared to make it up on the day of his or her return, unless alternative arrangements have been made.

SUMMER COURSEWORK

Summer coursework may be required if a student does not pass a class with a 70 or higher or at a teacher's discretion. Summer coursework allows students another opportunity to develop and demonstrate the mastery that will be required to succeed in the next grade's material.

INFORMATION AND POLICIES FOR FAMILIES

ADVISORY GROUPS

Students at Rochester Prep each have an assigned Advisor. The Advisor is responsible for helping students achieve their best. While students should feel free to speak with any of their teachers about difficulties or challenges they encounter in or out of class, their Advisor is the person who is most aware of their particular needs. The Advisor also speaks with parents or guardians periodically to report on specific academic and behavioral progress. Families are strongly encouraged to call their child's Advisor with any questions or family information.

PROGRESS REPORTS, REPORT CARDS, AND FAMILY-TEACHER CONFERENCES

Teachers and staff use regular progress reports and quarterly report cards to communicate students' academic and behavioral performance. Progress reports are sent home with students every two weeks to be signed by their parents and brought back to school the next school day. Report cards are distributed at Family-Teacher Conferences, which families must attend in order to receive their students' report cards. If a family cannot attend Family-Teacher Conferences, they must schedule another time with the school to meet with teachers and pick up their student's report card.

MESSAGES/PHONE USE/VOICEMAIL

Students may not receive incoming phone calls or messages during the school day unless it is an emergency that requires immediate attention. Such calls should be very rare. Students are allowed to use the telephone only in the case of emergencies or unexpected events.

If you need to get a message to your child's teacher, please call the main office number and leave a message on his or her voicemail. **Our teachers check their messages once a day after school. They are expected to return your call within 24 hours.**

SCHOOL VISITOR POLICY

The School encourages parent(s)/guardian(s) to visit the School and its classrooms to observe the work of students, teachers and other staff. To help ensure the safety and security of all students and staff in the building, each school has visitor policies and procedures in place. The Principal and Director of Operations are responsible for all persons in the building and on the grounds. For these reasons, the following rules apply to visitors to the School:

- 1) During the first two weeks of school visitors are not permitted in the school.
- 2) Anyone who is not a regular staff member or student of the school will be considered a "visitor".
- 3) All visitors to the school must sign in and report to the main office.
- 4) Teachers are expected not to take class time to discuss individual matters with visitors.
- 5) Any unauthorized person on school property will be reported to the Principal and Director of Operations. Unauthorized persons will be asked to leave. The police may be called if the situation warrants.
- 6) All visitors are required to abide by the rules for public conduct on school property contained in this Code of Conduct, and the visitor policies and procedures at each campus. By entering school property, visitors accept these rules.

The School is committed to providing an orderly, respectful environment; therefore, it is necessary to regulate public conduct on school property and at school functions.

PARENT & GUEST CODE OF CONDUCT AT SCHOOL SPONSORED EVENTS

Parent and family involvement is key to the success of the Rochester Prep program. During school events, Rochester Prep parents and guests act as role models for Rochester Prep scholars by reflecting and reinforcing the core virtues instilled by the school. To underscore this commitment we ask Rochester Prep parents and guests to agree to the following Rochester Prep Code of Conduct for School-Sponsored Events.

While attending a school-sponsored event, either on- or off-campus, parents, guardians, and other guests will refrain from the following **prohibited behaviors**:

- Engaging in Conduct that Endangers the Safety, Morals, Health, or Welfare of Students, Self, or Others at the event. Examples of such conduct include, but are not limited to:
 - Physical or verbal violence against self or others
 - Threat of violence against self or others
 - Use of profane language or gestures
 - Theft, destruction, or loss of school property, the property of the facility where the event is held, and/or the property of others
 - Use or possession of drugs and/or alcohol
 - Public intoxication
 - Use or display of a firearm, a mock firearm, and/or a dangerous object
- Engaging in Conduct that is disruptive to the event or to the school. Examples of such conduct include, but are not limited to:
 - Publicly questioning or challenging an action of a school staff member
 - Acting in an unruly or disruptive manner
 - Encouraging one or more students to act in a manner inconsistent with the student Code of Conduct

Any parent, guardian, or guest who engages in one or more prohibited behavior may be asked to leave the school or the off-campus site where the school event is held. Any parent or guardian may be asked to leave if his or her guest has engaged in the prohibited behavior. At the discretion of school leadership, parents, guardians, and guests who violate the Code of Conduct may be excluded from one or more future events. Rochester Prep reserves the right to notify the police of any potential violation of the law or threat to the safety of students, families, staff, or guests.

SOCIAL MEDIA POLICY

Social Media is a powerful and effective tool for keeping people connected and the School respects the rights of parents to engage in free and open communication of their personal information through the individual use of weblogs, internet diaries, social websites like Facebook, Twitter, Instagram, LinkedIn, YouTube, Vimeo, and other forms of online discourse ("Personal Online Activities"). However, when these Personal Online Activities contain content that could be detrimental to the School, its faculty or its students, they become an appropriate focus of the School's policy.

Parents are personally responsible for the content of their Personal Online Activities, and the following guidelines should be followed:

1. The content of Personal Online Activities may not contain:
 - a. any reference to confidential or privileged information or activities of School students or their families, whether by name or implication;
 - b. any reference to confidential School information;

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL
Student and Family Handbook 2019-20

- c. any reference to School students, faculty, staff, administrators, or trustees whether by name or implication, that would in any manner defame such individual;
 - d. any reference to confidential or privileged information or activities of School faculty, staff, administrators, or trustees; or
 - e. any material that in the sole discretion of the School is considered obscene, defamatory, threatening, harassing, illegal, or abusive to any person or entity associated with the School.
2. When posting classroom photos, please be respectful of the fact that other parents may not want their child's photograph posted to your Social Media site(s). Do not post photos of your child's classmates without their permission.
3. Remember to THINK before you post anything pertaining to Rochester Prep students:
 - T - Is it true?
 - H - Is it helpful?
 - I - Is it inspiring?
 - N - Is it necessary?
 - K - Is it kind?

BUILDING SAFETY AND SECURITY

There are a number of basic procedures the school has in order to ensure the safety and security of its students and staff. Cooperation on everyone's part will go a long way in guaranteeing that the business of the school – teaching and learning – can take place.

CLOSED CAMPUS

Under no circumstances are students to leave the school building or grounds without permission.

IN CASE OF EMERGENCY

In case of an emergency, parents or guardians should contact the Main Office either by phone or in person. Under no circumstances should parents or guardians contact students in their classrooms, nor attempt to withdraw students from the building without notifying and receiving permission from staff members in the Main Office.

FIRE SAFETY AND EVACUATION PROCEDURES

Please note, some procedures may change once the school year has officially begun. Students will be notified of and trained in any significant changes.

In case of an emergency, students must follow the direction of staff members who will lead students outside the building to the designated locations, where school staff will line up students by class and take attendance.

Throughout the school year, students and staff will participate in lock down and fire drills to ensure that the entire school community is familiar with the appropriate response in the event of an emergency.

Should it be necessary to evacuate our school before, during, or after the school day—and it appears that we will be unable to return to the school for an extended period of time or for the rest of the day—school staff and students will evacuate, according to the school's evacuation plan. If this site cannot be safely occupied, a notice will be clearly posted advising parents of a secondary location.

More information on emergency procedures is contained in the school's SAVE plan, which will be shared with all parents and available from the Main Office.

TRANSPORTATION AND SAFETY

Arrival and Dismissal

Students should not arrive to school before 7:35 AM. At dismissal, students should leave the school building; attend after school tutoring, or detention; or participate in an official school event such as an athletic team. Students who are not participating in one of the above activities must wait in the Main Office or in another designated afterschool location, under the supervision of a staff member. Students may not wait outside without staff supervision.

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL
Student and Family Handbook 2019-20

Bus transportation will be provided by the Rochester City School District (or other district of residence). Buses will pick up and drop off students at 432 Chili Avenue.

We ask for families to please cooperate with this policy to guarantee a safe, timely, and orderly environment for all students and families at dismissal.

Students Who Walk

For students who walk to and from school, a number of streets must be crossed. Families should instruct students to use all of the appropriate crossing lights at each intersection, and to cross each intersection only when it is safe to do so within the designated crosswalks. Rochester Prep encourages students who walk to travel together or in groups. The school is happy to help parents identify other families who live near them for this purpose.

Arrange Transportation Before Your Child Leaves Home

Students will not be allowed to call home to check and see if they are being picked up. If you need to pick up your child (and your child usually rides the bus) or otherwise change your child's transportation for that day, your options are as follows:

- *Call the school before 2PM* – You may call the school to request your child for pickup before 2:00PM Monday-Thursday and 10:00AM Fridays to change your child's transportation arrangements for that day. Unfortunately, we will not be able to deliver last minute notes/messages or changes after these times to ensure a safe dismissal for all students.

OTHER INFORMATION AND POLICIES

SCHOOL BUS TRANSPORTATION

Busing to and from Rochester Prep is provided by the local school district in which the student lives. Please contact the Office Manager for information about transportation from other school districts. The District may provide busing for students who meet certain requirements. However, the right to free transportation is dependent on the student's good behavior while waiting for and riding on the school bus.

SNOW CLOSINGS

In the event of poor weather conditions such as heavy snow, please listen to your local television or radio stations for relevant information regarding school cancellation. Except on days when RPWCMS is in session and City schools are not, RPWCMS follows the exact same cancellation policies as Rochester City Schools. If Rochester City Schools are closed or delayed, so is Rochester Prep.

CELL PHONES

Students are not allowed to use cell phones in school or on school field trips. If a cell phone is used during school, rings during school, or is seen by a staff member, it will be confiscated from the student. A student found in violation of this policy is subject to the consequences outlined in section 1.24 of the school's Code of Conduct.

STUDENT BELONGINGS

We encourage all students not to bring non-essential items of value to school – monetary or otherwise – since they cannot be securely stored. Rochester Prep is not responsible for any lost or stolen items.

Students who disrupt class for any reason are violating school rules. This rule applies to students' personal possessions as well. Items including, but not limited to, game cards (Pokemon Cards, etc.), trading cards (baseball cards, football cards, etc.), portable electronic games, toys, make-up (lipstick, lipgloss), and portable electronic devices are not allowed in school. Students who violate this rule will have their item(s) confiscated until the item(s) is picked up by a parent/guardian and will be subject to consequences. **Repeated violations of this policy may cause personal property to be confiscated for a period of up to 30 days, irrespective of any costs or fees students and/or their families may incur as a result.**

Note that portable electronic games/devices and cell phones are considered inappropriate property and students found in possession of these devices are subject the consequences outlined in section 1.24 of the school's Code of Conduct.

Lost and Found

The school will keep a small lost and found box near the main office. Parents/guardians/families may come in any day between 7:35AM and 4:00PM to search the Lost and Found. At the end of every quarter, items left in the box may be donated to a local charity.

SCHOOL SUPPLIES

Rochester Prep will provide students with the following supplies:

- One binder
- A homework folder
- A pencil case

TRUE NORTH ROCHESTER PREPARATORY CHARTER SCHOOL – WEST CAMPUS MIDDLE SCHOOL

Student and Family Handbook 2019-20

- 2 yellow pencils

Students will not need additional supplies unless requested by the School.

SCHOOL LUNCH PROGRAM

All students are provided with breakfast, lunch, and snack free of charge daily. All families will need to complete a form that enables the school to participate in the free or reduced-price meal program.

Families may send lunch to school with their scholar provided that it is contained in one bag or lunch box which is labeled with the student's name. Students will not have access to a refrigerator or microwave.

Rochester Prep serves milk at breakfast and lunch. It is very important for all children to drink milk to grow healthy teeth and bones. Any parents wishing to substitute milk with a different beverage must provide a note to the school indicating the reason for the milk substitution. Parents must provide the substitute beverage.

Parents are required to notify the school of any food allergies and provide documentation from a doctor for the student's health file. Parents should also notify the school of any other food restrictions due to religion or custom. We will not be able to accommodate all food restrictions within the school menu.

In order to maintain focus in the classroom, families are discouraged from sending snacks or breakfast to school. This is permitted only in cases in which the student has a verified medical dietary restriction. The Principal reserves the right to prohibit any student from bringing a snack, breakfast, or lunch item which becomes a distraction to learning.

HEALTH SERVICES & MEDICATION

The School provides the health services required by law. Students with serious injuries are taken to the hospital for emergency medical care and the parent(s) or guardian(s) are notified immediately.

If a student requires medication of any kind (including Tylenol, aspirin, and asthma inhalers), the student's parent/guardian must submit an Authorization to Dispense Medication form and must give the medication in the original container to the Nurse or Office Manager.

The parent/guardian of any student who is required to carry an asthma inhaler on his/her person must provide an Authorization to Dispense Medication form specifying that the student needs to carry the inhaler with him/her and a second inhaler that is kept in the Nurse's office or with the Office Manager.

The School abides by all New York State immunization requirements. Each new student must have a certificate of immunization at the time of registration or not later than the 14th day of school. Parents/guardians must present documentation that their children have received all required doses of vaccines or are waiting to receive the subsequent doses at the appropriate time intervals. Parents seeking to waive the immunization requirement should submit their request to the school Nurse or Office Manager. The Nurse will review the request and will advise the Principal, who will make the final decision on whether to grant the waiver request.

No Child Left Behind (NCLB) is federal legislation enacted with the goal of all students reaching academic proficiency by 2014 and all students being taught by a Highly Qualified teacher by 2007. As part of that goal, schools are required to issue to parents an annual report card that specifies the school's mission, indicates the demographic breakdown of its student body, presents their performance on standardized exams such as the New York State Assessments, and specifies the percentage of Highly Qualified teachers as defined by NCLB. Parents can request in writing to the Principal the educational credentials and licensure of any of their students' teachers.

Appendix 1

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

(1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents or eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

(2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate official], clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the School discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

Appendix 2

Complaint Policy

In accordance with Education Law §2855(4), any individual or group may bring a complaint to the True North Rochester Preparatory Charter School – West Campus Middle School Board of Trustees alleging a violation of Education Law Article 56, the charter, or any other provision of law relating to the management or operation of the school. Nothing in the following suggested procedures precludes a group or individual from bringing a complaint under Education Law §2855(4) directly to the school's Board of Trustees.

An individual who has a complaint about a school practice or policy that does not concern the alleged violation of law or charter (e.g., a concern about an academic grade, the school's uniform policy, the school's cell phone policy, or the bus schedule) should address the complaint in writing to the Principal. The Principal will respond to the complaint in writing or in person within 14 days. If this does not resolve the complaint or if the complaint is about the Principal, the individual or group may file a complaint in writing to the Chairperson of the Board of Trustees, who shall then appoint the School's Associate Chief Operating Officer from Uncommon Schools or another designee(s) to review the complaint. The Chairperson's designee will respond to complaints in writing within 30 days.

Should an individual wish to register a complaint with the Board of Trustees at a Board meeting, the complaint must be submitted in writing at least one week prior to the next Board meeting. Complaints submitted later will be addressed at the subsequent meeting of the Board of Trustees. Emergency issues will be dealt with on an as-needed basis, with the Board's designee responding at or prior to its next regular public meeting.

Every effort will be made to respectfully address each matter to the satisfaction of the individual or group that presented the complaint. Rochester Prep will encourage all families to resolve all complaints at the school level in cooperation with the Principal. The Board, as necessary, may direct the Principal or other responsible party to act upon the complaint and report to the Board. The Board of Trustees shall render a determination in writing if appropriate or required.

If, after presentation of the complaint to the Chairperson of the Board of Trustees, the individual or group determines that the Chairperson or his/her designee has not adequately addressed the complaint, the complainant may present the complaint to the Board of Trustees of the State University of New York, which shall investigate and respond. If, after presentation of the complaint to the Board of Trustees of the State University of New York, the individual or group determines that the school has not adequately addressed the complaint, the complainant may present the case to the Board of Regents, which shall investigate and respond. The Trustees of the State University of New York and the Board of Regents have the power and the duty to take remedial action as appropriate.
