Introduction

Rochester Prep is conducting this public hearing regarding the organization’s District-wide School Safety Plan. The district-wide plan is consistent with a detailed emergency response plan at the school building level.

The plan is reviewed regularly and updated annually. Building level plans are confidential and provided to local police, sheriff and state police agencies, and are not subject to disclosure under Article 6 of the Public Officers Law or any other provision of law, in accordance with Education Law Section 2801-a. The district-wide plan is made available to the public via the link provided in the chat.
